Characteristic of effective learning task – Exploring Elephant

Can you find out some facts about real elephants to share with the group? You could find out where they live, what they eat or what baby elephants are called. Ask an adult to help you use some books or the Internet to find out some information.

We are wonderful!

Make a poster about Elmer's Day. Can you tell the other elephants that they need to decorate themselves with lots of colours and patterns? You could write your ideas and draw a picture of a colourful elephant too.

Elmer lives in the jungle with lots of other animals. Can you think of any other animals that live in the jungle? Try making some noises like different jungle animals, for your friends and family to guess! You could growl like a tiger, chatter like a monkey, roar like a lion or snap like a crocodile! Try doing some actions too!

During the story, Elmer realises that he likes being unique and special. What makes you special? Are you very good at doing something? Are you kind, funny or helpful? Draw a picture of something that makes you special and unique.

Can you make a junk model Elmer?
What will you use for all of his bright colours?
