

As historians we will:

- Research significant events such as The Great Fire of London and Bonfire Night.
- Investigate whether the Great Fire of London made London a better place or not?
- Argue whether we should or should not celebrate Bonfire Night?

As scientists we will...

- Explore the theme of Celebrations.
- Say which part of the body is associated with each sense.
- Distinguish between an object and the material from which it is made.

As artists we will...

- Plan, construct and evaluate the structure when making Baby Bear's Chair from the traditional tale Goldilocks and the Three Bears.

As Active Learners we will...

- Be inviting Tiny Toes into our brilliant school, where we will learn all about the powers of Ballet.
- Enhance our target skills such as sending an object towards a target, avoiding obstacles or defending through Target Games.

As readers we will...

- Read our featured books Toby and the Great Fire of London written fiction book. As well as our non-fiction book- The Great Fire of London written by Sally Hewitt. Infer, predict and sequence these books.

As computer programmers we will...

- Create pictograms by using images to build a graph or chart.
- Learn how to use the direction keys when escaping a maze.

As mathematicians in Year 1 we will...

- Represent and use number bonds and related subtraction facts within 20.
- Solve one step problems that involve addition and subtraction.

As mathematicians in Year 2 we will...

- Recall and use addition and subtraction facts to 20 fluently.
- Add and subtract two-digit numbers with ones, tens and other two digit numbers.

As Religion Researchers we will...

- Answer our BIG question:

What do Jewish people believe about God, creation, humanity and the natural world?

As writers we will...

- Discuss the properties to writing a recount.
- Apply the correct punctuation to our work, capital letters, finger spaces and full stops.
