

Library L^{OO}k Out!

This half term our learning is inviting us to take a 'Walk on the wild side'. We will be exploring all things wild from lions to foxes, elephants to sloths, parrots to sharks. To help us learn about as many wild animals and their habitats as possible, we will be reading a wide range of books. You may wish to have a look and see if you can borrow any of these from the local library to read at home with your child or even add to your own collection. You might find some different books relating to our topic and that would be great too! If you do either of these, please share any photographs or videos on Class Dojo, we love to see them!

Books with our Reception maths focus
