

Library L👀👀k Out!

This half term our we will also be reading lots of books based on new life, Spring, minibeasts and lifecycles. You may wish to have a look and see if you can borrow any of these from the local library to read at home with your child or even add to your own collection. You might find some different books relating to our topic and that would be great too! If you do either of these, please share any photographs or videos on Class Dojo, we love to see them!

Books with our maths focus
