

As historians we will...

- Explore our Topic – Holidays
- Research possible answers to this question- How have seaside holidays changed over time?
- Learn about holidays in the 1950s and 1960s, particularly seaside holidays.

As scientists we will...

- Explore the properties and uses of everyday materials.
- Turn MAD - by creating silly materials such as metal kites and chocolate teapots!

As a Design and Technology Technician we will...

- Use our hands as a tool to shape clay.
- Shape a pinch pot.
- Use impressing and joining techniques to decorate a clay tile.

As computer programmers we will...

- Explore how a story can be presented in different ways.
- Make a presentation to the class.

As Religion Researchers we will...

Answer our BIG question: How and why some stories and symbols are important in religions?

As Active Learners we will...

- Participate in Dance led by our amazing Sport Coach!
- Be safely wobbling all over the place on our Balance Bikes taught by an external provider.

As readers we will...

- Read our featured books Katie in London written by James Mayhew and A walk in London written by Salvatore Rubbino
- Infer, predict, summarise and sequence these books.
- Discuss new and exciting vocabulary.

As mathematicians in Year 1 we will...

- Count in 2's, 5's and 10's.
- Recognise and add equal groups.
- Make arrays and doubles.

As mathematicians in Year 2 we will...

- Recognise and find a half.
- Recognise and find a quarter
- Recognise and find a third.

As writers we will...

- Write a recount to retell the events which occurred in the book- A Walk in London.
- Become authors when writing a narrative linked to Katie in London!
