

As geographers we will...

- Explore our Topic – Seasons.
- Observe and spot seasonal patterns and talk about changes by using weather-related vocabulary.
- Use simple fieldwork and observational skills.

As scientists we will...

- Identify, name, draw and label the basic parts of the human body.
- Say which part of the body is associated with each sense.
- Conduct simple investigations linked to our senses.

As artists we will...

- Explore the skill of painting and mixed media through the topic COLOUR SPLASH!
- Investigate how to mix primary and secondary colours.
- Print with paint

As computer programmers we will...

- Discover how to be and keep safe online through The National Online Safety (E-Safety)

As Religion Researchers we will answer our Big Question...

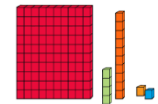

What do Christians believe about God?

As Active Learners we will...

- Be inviting Tiny Toes into our brilliant school, where we will learn all about the powers of Ballet
- Focus on developing our ball skills through our Sports Coach from Tuxford Academy - Mr Ashford

As mathematicians in Year 1 we will...

- Focus on place value to 10
- Sort, count and recognise numbers to 10
- Compare groups using language such as greater than, less than and equal to

As mathematicians in Year 2 we will...

- Focus on place value to 20
- Count objects to 100 by making 10s
- Recognise tens and ones

As readers we will...

- Read our featured book Pumpkin Soup written by Helen Cooper
- Read and perform a variety of Autumnal poems
- Infer, predict, summarise and sequence these books
- Discuss new and exciting vocabulary

As writers we will...

- Become authors when writing a narrative linked to Pumpkin Soup
- Write an explanation linked to our non-fiction book - Why Do Leaves fall from trees? Written by Ruth Owen
